

I am a merchandiser in and out of many stores every day and I need traffic info constantly in Dallas-Ft. Worth. XM radio gives me 24 hour instant traffic and weather, so important to my business. Also it allows me to listen to the Fox news network for "24 hour fair and balanced" news reporting without the usual liberal slant. I pay for these services and urge you to reject the National Association of Broadcasters trying to dictate what I am permitted to hear.
REJECT NAB'S petition 04-160

Respectfully,
